Write what you do in your reading log or on Seesaw and receive rewards in school.

It would also be great if we saw:

Something linked to our school values which are: Kindness, Resilience, Cooperation, Courage, Tolerance, Honesty and Invention.

- ◆ You might want to choose our value of the week and do something outside of school to demonstrate that value. Take a picture or write a few sentences about what you did and share it on Seesaw. Remember to be as creative as you want and get outside!

Some extra work linked to your learning in school.

Remember everything that you do above and beyond your school learning will be rewarded.
